Secret addresses from stylish people

LUCY FOLK is a Melbourne-based jewellery and accessories designer. Her quirky food-themed collections – such as Sugar, Appetiser and Tropicalismo – are worn by Lily Allen, Erykah Badu and Susie Bubble. lucyfolk.com

Trunk LABS London W1

Trunk's accessories shop is a real treat for luxe luggage. It's also perfect for presents, fragrance – and even furniture. trunkclothiers.com

The Gallivant

Camber, East Sussex

An amazing place to stay in winter. Its rooms are lovely and the food is divine. I love strolling on Camber Sands. thegallivanthotel.com

Mouki Mou London W1

This unique store is filled with carefully chosen luxury pieces, meticulously presented. Favourites include Wendy Nichol bags. mouki-london.com

El Questro Homestead

Kimberley, Australia

Here you are introduced to the Kimberley's extraordinary landscape through canyon walks, natural springs, rock art, fishing the rivers (full of crocs), sublime sunsets and the hospitality of El Questro. You'll never forget it. It makes me proud to be Australian. elquestro.com.au

Maryam Nassir Zadeh

New York

My sister found this; now it's a must-visit for me when I'm in town. It has a roster of brands I adore: Véronique Leroy, Riudavets, Cosmic Wonder... mnzstore.com

The Beach Restaurant

Cornwall

A gem at Sennen with a terrace on which to soak up the sea air and admire the breathtaking views. It's a great place to take a leisurely lunch and to sample fish caught locally that day. thebeachrestaurant.com

Spice Bazaar Istanbul

The Spice Bazaar blew my mind. I sampled at least 20 different types of Turkish delight and took more than 100 photos. The displays, aromas and hustle and bustle make this one of my address-book highlights. misircarsisi.org
