Eat

Yes chef

Say hello to Jamie, our head chef. His menus are delicious, wholesome and healthy. He's never far away and always around to tell us what's fresh in today.

We're lucky to be surrounded by such incredible suppliers and lucky to have a team in the kitchen so keen to connect us with them.

Constantly striving to inspire and bring happiness to everyone that eats with us.

Exquisitely simple, passionately local, always delicious and wholesome, we're all big on food here.

JAMIE GUY - HEAD CHEF

Passionate is often over used but not here, some English wine is exceptional and we're here to help and inspire you to make the best choice.
