HAPPINESS IS A PLACE®

Bar Guide

WINTER 2020

Welcome

We are inspired to seek out as many local brewers, distillers and artisanal suppliers as we can. We hope you are inspired to try them.

We are committed to supporting great local suppliers and hope this also inspires you in your future buying decisions.

To help you make an inspired choice when with us, everything in green is from the UK.

This approach flows money directly back into the local community, creating jobs, pride and a smaller carbon impact on the environment.

If you would like a glass of wine, our extensive Wine Guide has long selection of wines by the glass. We are proud to have the largest selection of English wines in the country. If you would like to see it please ask.

We hope you enjoy your time with us. Whether it's for just a few hours or a couple of days, we hope you will leave feeling a little bit happier and little bit more inspired.

THANK YOU FOR SUPPORTING US AND OUR LOCAL SUPPLIERS.

Hot drinks

Our coffee is from Musetti. A family run business, established in 1934. A blend of 85% Arabica to 15% Robusta, it is slightly floral with a hint of dark cocoa and medium bodied.

We source our tea from Tea Pigs, not only do they make a lovely cup of tea but they also have admirable eco-credentials being the first tea company to be awarded the [Plastic Free Trust Mark](#).

We make our own hot chocolate using Willie's 52% single estate chocolate, 70% grated dark chocolate, raw cane sugar and fresh local milk. It's amazing.
