

Happiness is a place you can join

WE ARE BECOMING A MEMBER'S CLUB

It's not because we're elitist. And it's not to make more money. It's because we want to make a community of like-minded people who not only appreciate the good things in life, but also know that seeing, doing, learning and feeling new things has the power to make you happy.

SO WHAT'S IT ALL ABOUT?

The Gallivant is not hotel business as usual. All the good stuff is here. Wonderful food. Elegant spaces. Comfort and joy.

But there's also the opportunity here to experience something different. To change a bit. Learn a little. And leave us with a new knowledge, a new interest or a new angle on the world. To help, we have assembled some of the best people around.

And it's also about numbers and space, so becoming a member's club will mean fewer people through our doors. Fewer people means we can look after everybody beautifully.

This is the start, we have more Gallivants planned. Join our re-imagined version of true conviviality, to kick back, stroll the beach, eat and drink, be brilliantly looked after. And if you want to get involved in one of our inspirational Experiences, or come to some of our Special Events, that's a breeze too.

We are looking forward to welcoming you to an exciting new beginning.

MEMBER'S BENEFITS

If you want to eat, drink, join a class or an Experience or just hang at The Gallivant, then you need to be a member.

So whatever type of membership you sign up to, the big simple benefit is that you get to be here, to be in at the start, to eat, drink, get involved in classes and Experiences; use The Gallivant as a home from home. And all at a rate that values your commitment to join.

WHO CAN JOIN?

Anyone can apply to join The Gallivant. There are no specific criteria and we don't want a membership made up of people who look and think the same. But we do ask some questions in the application form to help us understand whether membership will work for you.

WHAT MEMBERSHIP IS RIGHT FOR ME?

We have a few different membership packages. Which one sounds like you?

Full

I live in the area. I love The Gallivant and I want to go to all the classes for free, get into new Experiences and learn new things. I'll want to come for lunch or dinner quite often and bring my friends whenever I like - and love that I'll pay 10% less on my table's food and drink bill. When I'm passing by I might drop in for a coffee - or maybe bring a laptop and do some work or catch up on emails. I love treating myself to the occasional massage or facial and getting 20% off all the Bamford treatments sounds very enticing. Priority access to all the Special Events and paying a special 20% off members rate is really appealing and with 25% off when coming to stay I'll probably stay over more often too!

Down from Town

I live in London, or a similar distance from The Gallivant. Close enough to make the day trip. With up to 25% off when coming to stay I love the idea of using The Gallivant as my beach house throughout the year and paying 10% less on my table's food and drink bill 24/7. I might try and co-ordinate my stays with some of the Special Events and appreciate the priority access and 20% off member's rate. I think I'll come and stay more often, perhaps to work, when I need some space to really think. When I'm here I'll probably drop into a yoga class or perhaps a wine tasting and appreciate paying 20% less for a restorative massage or facial in the Spa.

Friend

I want to be able to come in for lunch, for dinner, for a drink or even the occasional yoga class. I want to treat myself to some Bamford spa treatments and think the 10% discount on this, along with food and drink sounds brilliant. I expect it'll be the place I bring my friends who really like that they'll get the same rates as me on all food and drink. I'm excited to attend some Special Events and really appreciate the priority access and 20% off member's rate.

Summer lunch pass

I want to be able to come in for lunch, maybe a massage or even the occasional yoga class. Come the autumn I may well decide to become a Friend or something more but for now it'll be nice to have somewhere lovely to enjoy amazing food and drink in the area.

Full details of the three membership packages along with information about our Summer lunch pass is shown on the attached sheet.

THE SMALL PRINT

Membership is available from £25 / month and you are committed for 6 months. Members can bring up to five guests for lunch or dinner, one guest for a spa treatment or Experience class. All tables, treatments and classes must be pre-booked. Occasionally The Gallivant is hired in its entirety for an exclusive event and we will notify all members every month of any of these dates.
