

HAPPINESS IS A PLACE YOU CAN JOIN

# Gallivant Members

FOR MEMBERS AND FRIENDS

# We are evolving into a members club

It's not because we're elitist. And it's not to make more money.

It's because we want to make a community of like-minded people who not only appreciate the good things in life, but also know that seeing, doing, learning and feeling new things has the power to make you happy.

MORE THAN JUST HOTEL BUSINESS

# So what's it all about?

The Gallivant is not hotel business as usual. All the good stuff is here. Wonderful food. Elegant spaces. Comfort and joy.

But there's also the opportunity here to experience something different. To change a bit. Learn a little. And leave us with a new knowledge, a new interest or a new angle on the world. To help, we have assembled some of the best people around.

And it's also about numbers and space, so becoming a member's club will mean fewer people through our doors. Fewer people means we can look after everybody beautifully.

This is the start, we have more Gallivants planned. Join our re-imagined version of true conviviality, to kick back, stroll the beach, eat and drink, be brilliantly looked after. And if you want to get involved in one of our inspirational Experience classes, or come to some of our Special Events, that's a breeze too.

We are looking forward to welcoming you to an exciting new beginning.

## WHO IS THIS FOR

“I love having somewhere that’s next to a beach only a couple of hours away, where the team feel like friends and I can truly relax, my very own Beach House. Sometimes I’ll come here for catch up lunches and birthday dinners, sometimes to do some work and sometimes just to walk on the beach and find myself again. It’s my home away from home, and my secret escape from reality.”
