HAPPINESS IS A PLACE

@thegallivant #happinessisaplace

Welcome to your home by the sea.

Here are some useful things to know while staying with us.

Speaking to one of us

The best number to call is 01797 338 903 or come to the lobby.

Beach

It's across the road, over the dunes. The beach bag in your room is for your use when here. We have beach towels, gumboots and sowesters in the lobby as well.

Food and drink

There is always flavoured filtered water, fresh fruit and a bowl of nuts in the Sitting room and a freshly baked cake appears everyday at 4pm, it's all on the house. The bar is open from breakfast through to late in the evening for hot and cold drinks.

Happy water

You have been given a Gallivant water bottle to use during their stay. You can re-fill this as many times as you like with filtered Belu water from taps at the end of the bar. We'll add a flat £5 to your room bill at the end of your stay and we donate all of this money to Blood Cancer UK. There is no additional charge at meal times.

Yoga

There is a yoga class in The Open Space across the terrace every morning at 8am. We supply all the mats and anything else that is needed. Private lessons are also available. If interested, please ask if staying for more than one night.

Exercise

We have a Peloton cycle and Concept 2 rowing machine in The Open Space across the terrace. Please reserve a time with someone in the lobby.

Blood Cancer UK - our nominated charity partner

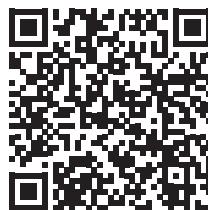

With your help we donate a lot of money to this charity through filtered water and picture sales (all the oil paintings are for sale and we give any profit to the charity). If you'd like to donate more please tell someone in the lobby.
