

Bar Guide

WINTER

Welcome

Over half the spirits behind our bar are from the UK and we are constantly on the look out for new ones to add.

We are committed to supporting great local suppliers.

This approach flows money directly back into the local community, creating jobs, pride and a smaller carbon impact on the environment.

We are also very proud to have one of the largest selections of English wines in the country and sell as much English wine as all other areas of the world combined.

When you leave us we hope you will feel a little bit happier and perhaps more inspired to buy British in the future.

**THANK YOU FOR SUPPORTING US AND
ALL OUR LOCAL SUPPLIERS.**
