# English wineries

We have one of the largest English wine lists in the UK. And so we should, we are in the heart of English wine country. Go and visit one, most offer tours and tastings.

**Charles Palmer**  
**East Sussex - 7 miles from us**

Charles and his family run their thirty five acre vineyard with drive and passion. Rolling hills surround the vines and the sea breeze from Hastings is never far away. From single estate grapes they make both sparkling and still wines.

**Oxney Organic**  
**East Sussex – 9 miles from us**

The largest organic vineyard in the UK making wines using only their own grapes with little intervention. Tours on Fridays and Saturdays in the summer, private tours at all other times.  
[oxneyestate.com](http://oxneyestate.com)

**Gusbourne**  
**Kent – 11 miles from us**

A combination of the best age-old traditions with modern technology creating outstanding wines with minimal intervention. Using exclusively their own grapes from ninety acres of vineyards.  
[gusbourne.com](http://gusbourne.com)

**Hush Heath**  
**Kent – 26 miles from us**

Home and heart of Balfour wines. Fifty acres of vineyards planted in deep Wealden clay creating wines of dense structure with vibrant acidity.  
[balfourwinery.com](http://balfourwinery.com)

**Artelium**  
**West Sussex - 47 miles from us**

An artisanal wine producer in Sussex making wines using traditional methods.  
[artelium.com](http://artelium.com)

**Hattingely Valley**  
**Hampshire - 86 miles from us**

Having grown to become one of the leading wineries in the UK, winning over one hundred medals in the process, they now export their wines to over sixteen countries.

**Rathfinny**  
**East Sussex – 40 miles from us**

Rathfinny occupies a perfect south-facing slope, just three miles from the sea. Its climate, chalk soils and aspect make it the perfect place to produce wine.  
[rathfinnyestate.com](http://rathfinnyestate.com)

**Simpsons Wine**  
**Kent – 42 miles from us**

Using only their own grapes planted in lime-rich, chalk soil that stretches to the French champagne region. Wines that deliver the fullest expression of the Kentish terroir.  
[simpsonswine.com](http://simpsonswine.com)

**Albourne**  
**East Sussex – 59 miles from us**

A family-owned boutique vineyard and winery overlooking the beautiful South Downs. They craft small quantities of exciting and distinctive still and sparkling wines.  
[albournestate.co.uk](http://albournestate.co.uk)

**Nyetimber**  
**West Sussex – 72 miles from us**

Large producer using exclusively their own grapes. All the wines are crafted using traditional methods, aged for extended periods of time to build complexity and flavour.

# English wines by the glass

Last year we sold as much English wine as all other areas of the world combined. There isn't a restaurant in the UK that's doing more.

# English wine flights

Our wine flights are a great way to try a number of English wines before buying a bottle.
